BLUEBEAM REVU DOCUMENT MANAGEMENT FOR CONSTRUCTION

In this course, you will learn how to use Revu to organize, navigate, and manage changes within large digital document sets throughout the project lifecycle. Additionally, you will learn how to use Revu to keep track of all revisions and create easier accessibility to document sets for all project team members.

Prerequisite: None

Course Length: 1 day

**We have two convenient
training center locations:**

PORTLAND

(800) 247-1927

6015 NE 80th Ave

Portland, OR 97218

SEATTLE

(800) 558-5368

18040 72nd Ave S

Kent, WA 98032
